IF YOUR CHECKBOOK AND YOUR STATEMENT DO NOT BALANCE, IT MAY BE BECAUSE:

- The amount of each check and deposit on your statement is not identical to the amount entered in your checkbook.
- Your checkbook has addition or subtraction errors.
- All outstanding checks have not been listed.
- Deposits were made that do not appear on your statement.
- Checks have been written that were not recorded in your checkbook.
- You had checks deposited that were returned and not adjusted in your checkbook.
- Your reconciliation last month had differences which were not corrected.
