

The SAFE Mortgage Licensing Act

The SAFE Mortgage Licensing Act is designed to enhance consumer protection and reduce fraud by encouraging states to establish minimum standards for the licensing and registration of state-licensed mortgage loan originators. The SAFE Act sets a minimum standard for licensing and registering mortgage loan originators.

A registered loan originator is: An individual who takes a residential mortgage loan application or offers or negotiates terms of a residential mortgage loan for compensation or gain. An individual real estate licensee acting within the meaning of Section 10131 (d) or Section 10131.1(b)(1)(c) of the Business and Professions Code (B&P) is a registered loan originator with respect to activities involving residential mortgage loans.
