

## Welcome to Plumas Bank

Dear Valued Clients,

Welcome to your new community bank. I am pleased to share that as of July 1, 2021, Bank of Feather River successfully merged with Plumas Bank. For more than 40 years, Plumas Bank has met the financial needs of Northeastern California and Northern Nevada residents, and we now look forward to serving the financial needs of the Yuba-Sutter community.

Like Bank of Feather River, Plumas Bank is dedicated to strengthening the communities we serve. We are one of the top performing community banks in the nation, and we take great pride in making our communities a better place to live and work. We will continue to help fuel the success of local Yuba-Sutter businesses, individuals, families, and non-profit organizations. Bringing together the local experts at Bank of Feather River with Plumas Bank's technology and small business expertise will allow us to offer expanded services for the Yuba City marketplace and provide long-term value to Yuba City and the surrounding region.

Bank of Feather River has been meeting your banking needs since 2008, and you can rest assured that the same knowledgeable Yuba City team you know and trust will continue to serve you.

Further, Julie Morehead, Bank of Feather River President and CEO, will be serving as a Director on the Plumas Bank Board. In this role she will continue to represent the interests of the Yuba-Sutter community and offer her leadership to support the performance and growth strategies of our combined organizations.

On behalf of the Yuba City team and all of us at Plumas Bank, we welcome you to your new community bank. We look forward to taking care of your banking and lending needs for many years to come.

**With appreciation,**

## Information for clients

We're excited to welcome the clients of Bank of Feather River as well as the entire Yuba-Sutter community to Plumas Bank.

While Bank of Feather River will be owned and operated by Plumas Bank as of July 1, 2021, the conversion of your accounts to Plumas Bank's existing system will happen in November 2021. Until November, your accounts as well as your online banking, bill pay and mobile app will remain the same.

Our goal is to make the conversion as seamless as possible so you will continue to access online banking at the Bank of Feather River website, and you will continue to use your same checks and debit cards. Essentially, while you will start seeing the Plumas Bank name, you won't notice much difference in how you access your day-to-day banking.

There will be more information to share with you over the coming months. Starting in November, you will gain additional benefits including access to Plumas Bank's network of services at 14 branches, two loan offices and an SBA office — all located in California and Nevada communities.

We know you will have questions about the merger. You can find more information on our websites including a **Frequently Asked Questions** (FAQ) section. Visit our websites: **Bank of Feather River** and **Plumas Bank**.

If you have specific questions, please don't hesitate to contact Mandy Jones, VP, Business Advisor/Business Development Officer for Plumas Bank. She can be reached at the same phone number and email address: 530.790.2548 or [mjones@bofr.bank](mailto:mjones@bofr.bank). We look forward to serving you.
